

DENY and Opinion Filed June 8, 2020

**In The
Court of Appeals
Fifth District of Texas at Dallas**

No. 05-20-00189-CV

IN RE FTS INTERNATIONAL, INC., ET AL, Relators

**Original Proceeding from the 160th Judicial District Court
Dallas County, Texas
Trial Court Cause No. DC-19-02668**

MEMORANDUM OPINION

**Before Justices Bridges, Osborne, and Reichel
Opinion by Justice Osborne**

Before the Court is relators' petition for writ of mandamus, the response filed by real party in interest, and relators' reply regarding the trial court's denial of relators' special exceptions. Entitlement to mandamus relief requires relators to show that the trial court clearly abused its discretion, and that they have no adequate appellate remedy. *In re Prudential Ins. Co.*, 148 S.W.3d 124, 135–36 (Tex. 2004) (orig. proceeding). After reviewing the petition, the mandamus record, the response, and the reply, we conclude relators have not shown they are entitled to the relief requested.

Accordingly, we deny relators' petition for writ of mandamus. *See* TEX. R. APP. P. 52.8(a) (the court must deny the petition if the court determines relator is not entitled to the relief sought).
